Medical/Non-Medical: Non-medical; providing high quality, cost-effective home care; specializing in dementia and Alzheimer's care

Born from the heart, Cypress HomeCare Solutions was founded by the Roth family in 1994 after their mother became ill and her husband and sons stepped in as her devoted caregivers. Since then, Cypress has touched the lives of thousands of families by providing compassionate care in people's homes. Sheldon, the patriarch of the family, is chairman of the board. His son Bob is managing partner and currently serves on the board of directors for the Banner Alzheimer's Foundation, Arizona Geriatrics Society and is the Benefactor Chair for the Banner Health Foundation. Serving alongside Bob is COO Scott Spangler, a 25-year healthcare professional. Cypress services are designed to assist seniors in remaining independent by helping them with activities of daily living, including cooking, shopping, driving to appointments, laundry and personal care, to name a few. Cypress' one-of-a-kind Training Lab provides their caregivers with essential skills. Debuting in the 1st quarter 2012 is Cypress' new edition "Lacey." Lacey is a part of the newly created Cypress Pet Therapy Initiative delivering exceptional quality care to Cypress clients. The company maintains the highest caliber of care by constantly evaluating its clients' needs and caregivers' expertise, and always focusing on finding the right solution.
